

## 905 Entrepreneurship

- This is an “add on” endorsement that may be earned only by persons who hold a currently valid secondary level educator license in one of the following:

105 Business Education (7-12)

318 Marketing (7-12)

192 Social Studies (7-12)

193 Economics (7-12)

A #905 endorsement allows a person to teach the following course:

### 990003 Entrepreneurship

This endorsement requires the following:

1. Applicant must hold a bachelor’s degree and currently valid secondary educator license #105, #318, #192, or #193.
2. Applicant must validate technology competency during the first year of license by attaining the established minimum score or higher on an assessment approved by the Mississippi Department of Education (MDE). The assessment must be directly related to technology competency required by the grade level and subject matter being taught. Approved assessments for this license are IC3, Propulse, or other specific assessment created by third-party vendors, authorized by the Local Education Agency (LEA) and approved by the MDE.
3. Applicant must successfully complete a certification for an online learning workshop, module, or course that is approved by the Mississippi Department of Education.
4. Applicant must successfully complete the Master Teacher of Entrepreneurship certification.

## 978 Career Pathway: Construction--Electrical

This endorsement licenses a person to teach the following secondary courses:

993101	Construction I
993102	Safety and Orientation to Construction
993103	Introduction to Construction
993120	to be developed for 2012-2013
993121	to be developed for 2012-2013
993122	to be developed for 2012-2013

Minimum Requirements for this Endorsement:

### 1. Education

- Applicant must have earned a two-year college degree (associate degree) or higher from an accredited institution of higher education. [Exception: Teachers with a currently valid license and endorsement #352 Electrical may earn this endorsement based on that #352 endorsement even if two-year college degree is not earned. All other requirements for this endorsement must be satisfied.]

### 2. Technology Literacy and Related Assessment of that Competency

Applicant must validate technology competency during the first year of license by attaining the established minimum score or higher on an assessment approved by the Mississippi Department of Education (MDE). The assessment must be directly related to technology competency required by the grade level and subject matter being taught. Approved assessments for this license are IC3, Propulse, or other specific assessment created by third-party vendors, authorized by the Local Education Agency (LEA) and approved by the MDE.

### 3. Occupational Experience and Related Assessment of that Experience

-Applicants with an associate degree must have at least two years of verifiable occupational experience in the past ten years. Experience must be appropriate to the subject to be taught.  
- Applicants with a bachelor or higher degree must have at least one year of verifiable occupational experience in the past ten years. Experience must be appropriate to the subject to be taught.

This endorsement requires the following assessment(s) of occupational expertise:

National Center for Construction Education and Research (NCCER), National Craft Assessment and Certification Program: Earn required score on Construction Technology assessment. OR

Other teacher occupational competency assessment approved by MDE Office of Career Education and Workforce Development.

### 4. Teacher Education Preparation and Related Assessment(s) of that Education

-Applicant must enroll immediately in Vocational Instructor Preparation (VIP) program or the College and Career Readiness Educator Program (CCREP).

- Applicant must complete the individualized professional development plan (PDP) requirements of the VIP or CCREP program prior to the expiration date of the three-year vocational license.
- Applicant must successfully complete the Contren Instructor Certification.
- Applicant must successfully complete a Certification for online learning workshop, module, or course that is approved by the Mississippi Department of Education.
- Applicant must successfully complete the Construction Technology Certification workshop, module, or course that is approved by the Mississippi Department of Education.

note #1: If the applicant meets all requirements listed above, that applicant will be issued a 978 endorsement—a five-year license. If the applicant does not meet all requirements, the applicant may be issued a three-year endorsement (license), and all requirements stated above must be satisfied prior to the ending date of that license.

979 Career Pathway: Construction--Masonry
